The background of the page is a repeating pattern of orange citrus slices, likely lemons or oranges, arranged in a staggered grid. The slices are shown in cross-section, revealing a textured, porous interior. They are a vibrant orange color with some lighter, yellowish areas, and have a slightly irregular, natural-looking edge.

# zest

orange delights, offends.

sweet, bright, bitter, refreshing.

color controversy.

The page features a white background with large, dark blue, organic, and abstract shapes. These shapes are located in the top-left corner, along the bottom edge, and on the right side, creating a modern, artistic border.

To get started right away, just tap any placeholder text (such as this) and start typing. Add new pages by putting the cursor in front of the “Authors” heading and going to Blank Page on the Insert tab.

Want something different? No problem! Change the look of the layout using font and paragraph styles on the Home tab.

When you’re ready to print, print on both sides, flipped on the short edge.
